40 entries will pay \$700.00 to the winning team (\$350.00 ea)

Tournament Rules

1. This is NOT a USBC sanctioned tournament but will be conducted under rules and regulations set forth by the USBC.
2. Entry fees for bowlers who are registered by May 9th is \$70.00 per bowler (\$140.00 per team). Entry fees for bowlers who miss the May 9th deadline, including walk-ups, will be \$80.00 per bowler (\$160.00 per team).
3. Payment does not have to be made until the day of the tournament, but we will only accept cash, PayPal, Venmo, or Zelle.
4. **Bowl For Free:** sponsor 3 new doubles teams and get a refund of your entry fee. To qualify for this refund, all 6 bowlers must not have bowled a Handicap Alibi Doubles event.
5. All entries will be accepted until 30 minutes before the start time of any scheduled squad if lanes are available.
6. The handicap for this tournament will be 90% of 220.
7. **Handicap:** Bowlers will use their HammerPins Average (HPA) if they have bowled 12 games or more in any HammerPins tournament. If no HPA, entrants will use their highest bowl.com average (over 21 games) from the last 2 bowling years, Summer or Winter. If no book average, a current league average will be accepted, provided you bring with you a copy of the current league standing sheet. If you have no average, you will use 220.
8. If using a bowl.com average, if the bowler is currently in any league, sanctioned or not, and their highest current league average is 10 pins higher (or more) than their bowl.com average, it is the bowler's responsibility to notify tournament management so that their average may be changed. Failure to disclose the proper average will result in immediate disqualification from the tournament. Average corrections must be made by the completion of the first game of the series.
9. **Dress Code:** All players should appear presentable to their peers. Shorts, hats, and T-shirts are acceptable attire but must be in good condition and not considered offensive to other players or their guests.
10. Bowl 4 games, dropping the lowest TEAM score. The payout is 1 in 5 based on total pin fall and handicap. Max of 4 teams per pair.
11. Optional high game/series side pot will be available for \$15.00 in scratch and handicap. Payouts will be made at the completion of each squad.
12. Optional brackets will be available for \$5.00 per bracket in scratch or handicap. Payouts will be made at the completion of each squad.
13. By submitting this form, I acknowledge that I have read, understand, and will comply with the above rules.
14. **Tournament Director reserves the right to reject or re-rate any entry.**
15. **Decision of the tournament director shall be final.**
